Set 6

1. **Working with Words:** Students will play Memory Match using the key words from the stories *Todd's Box*, *Jack and Rick*, and *All That Corn* (Harcourt Trophies Series).
2. **Math:** Students will predict how many pumpkin seeds came from our pumpkin. They will count to find out the actual number and describe their counting strategies. When finished, they may use the pumpkin seeds to make designs.
3. **Thanksgiving:** Students will do a Thanksgiving cut and paste sequence paper. When finished, they will put a series of pre-made sequence cards in order.
4. **Art:** Students will cut out all pieces for "Turkey Turnovers" (to be assembled as a class at a later date). When finished, they may work in their "The First Thanksgiving" book.
5. **Magnetic Letters** Students will record a list of words they can make using the following magnetic letters: a, b, c, f, h, l, l, t, and w (see page 118J in Harcourt Teacher Edition).
6. **USA:** Students will color a Veteran's Day picture and make poppies from red construction paper and red tissue paper.
