

Literacy Stations Set 11

1. **Sports:** Students will draw a picture of their favorite sport and write a sentence about it.
2. **Winter:** Students will color a snowman picture. When finished, they will cut it apart (like a puzzle) and assemble it on a piece of construction paper.
3. **Word Smart:** Students will categorize picture word cards into the following kinds of nouns: person, place, animal, or thing. They will record their categories on a corresponding paper.
4. **Working with Words:** Students will use alphabet rubber stamps to stamp words from the word wall.
5. **Computers:** Students will use an online six sided snowflake maker to see the symmetry of snowflakes.
