

Literacy Stations Set 12

1. **Fish:** Students will put words from the story Fun with Fish in alphabetical order. They will also color a picture of a fish.
2. **Art:** Students will make a Deep Sea Angler with paper, a pipe cleaner, and tin foil.
3. **Winter:** Students will classify pictures according to winter or summer. They will color pictures, cut them out, and paste them under the correct heading (winter or summer).
4. **Working with Words:** Students will use a set of compound word matching cards to make compound words. They will make a list of the compound words they made.
5. **Computers:** Students will use an online six sided snowflake maker to see the symmetry of snowflakes.
