

# Literacy Stations Set 18

1. **Math:** Students will use a geoboard to make shapes from the shape word bank. They will write a list of the shapes they made on the geoboards.
2. **Working with Words:** Students will sort words on the pocket chart according to if the word has an ir or an ar. They will write a list of the sorted words on a piece of paper.
3. **Animals:** Students will use sequins to cover a paper fish pattern to represent the scales on the fish. This is the first of five animal coverings projects the students will do.
4. **Writing:** Students will make a book of friends. On each page, the student will write a sentence about a classmate using an adjective. They will write another sentence stating a detail about their friend.
5. **Art:** Students will make a kite to celebrate Spring.
6. **Computers:** Students will use Ultimate Writing Center to type three sentences about fish and create an underwater picture.
