

Literacy Stations

Set 22

1. **Art:** Students will use art materials to make a robot.
2. **Magnetic Letters:** Students will create a list of words that can be made from -ace and -ice using the magnetic letter on the white board. They will read stories from our reading series with -ice and -ace words.
3. **Writing:** Students will write a thank you note to someone who has done something nice for them. An example of a thank you letter will be displayed at the station.
4. **Reading:** Students will make puppets of Cecil the Robot and the boy from the story My Robot. After making the puppets, they will read the story My Robot using the puppets to act it out.
5. **USA:** Students will unscramble magnetic letters to spell the name of the United States' neighbors. Students will color a map of the United States.
6. **Computers:** Students will have free choice on the computers.
